

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 10/4/2010

Start time: 7:12 PM, at the Poughkeepsie United Methodist Church

Present: 14 members and guests

- Whitney Philbrick filled in for Warren Batson.
- Jonathon Elie brought in his new electric ARF airplane called the "AJ Slick" from "3D Hobby Shop". It has a wingspan of 42 inches and weight of 51 ounces.
- Whitney brought in two models. The first being an Albatross park flyer. The second being a Corsair ARF from Hobby People. With a target weight of 20 lbs, it will be powered with a 50cc size engine, and utilize pneumatic retracts.
- Jim Rangitsch mentioned that Model Airplane News will have an article about the Rhinebeck Jamboree in the Jan 2011 issue.
- Whitney went over the financial report.
- Whitney noted that a load of stone was put down on the Wallkill entrance road.
- A slate of candidates is being put together for the upcoming club elections. The board is looking for nominees for the positions of secretary and "member at large".
- John Philbrick is looking into the possibility of having the club holiday party at the church. The price is better but would not be available for the month of December. An email will be sent out to the club members for feedback.
- Whitney noted that Warren is setting up work parties up at the Aerodrome in the month of October. This is a chance to help out and establish relationships. Work includes prepping for winter, cleaning, painting, and possible work on aircraft. Lunch will be provided. Warren will be sending out further communications shortly via email.
- Jim Wood mentioned that the Modelmasters will be flying in the UCCC gymnasium each month thru next April. The gym offers a very large and clean flying area for indoor freeflight models and small electrics.
- Joe Klein won the Jim Wood raffle. This month's prize was an incidence meter.
- All upcoming board meetings will be here at the church.

Meeting adjourned: 7:45 PM
