

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 11/4/2013

Start time: 7:10 PM, at the Poughkeepsie United Methodist Church

Present: 25 members

- Otto Loorents brought in his free flight style model “Sue”. Originally designed for .049 power, it is powered with an electric motor. It is constructed with balsa, covered with silk and butyrate dope.
- Charles Knight brought in his “RC Guys” ¼ scale Super Decathlon. Powered with a 30cc gas engine, and has a 98” wingspan. It is setup with dual battery redundancy, and has a mechanical clunk tank system.
- Warren Batson noted that approximately seven club members attended the “Flying Knights Pumpkin Fun Fly” in October, up in Ravena, NY. All enjoyed the company and flying on their beautifully maintained flying field.
- Fred DiMaria went over the treasurer’s report.
- Warren mentioned that the board members will be working on the club’s By-Laws for updating, and creating a new membership process. The target for presenting to the membership for approval is January or February 2014.
- Voting of the 2014 club officers. Warren read off the slate of officer nominations, and opened the floor for any additions. No additions were offered. Rich Rizza made a motion to accept the slate of nominees, with the motion being seconded by Ron Revelle. A vote was made with all in favor as “yes”, and no “nays”. The 2014 club officers are as follows:
