

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 6/3/2011

Start time: 7:00 PM, at the Redwing flying field

Present: 31 members and guests

- The following guests introduced themselves: Don Serafin, Tommy Alexandra, Ron Kiedaisch, Matthew DeHaven, Chris Luy, Bob Santoro, and Graham Foster.
- Warren Batson commented on the following field report items:
  - Redwing field new grass is coming in nicely.
  - Will try to start Thursday evening gather/flying sessions again due to popular demand. Starting time of approximately 5:00 pm.
  - Walkkill field is in good shape. The grass is growing in fast.
  - Reminder to please do not attempt to drive the mower in or out of the shed if you do not have time built up driving the mower. The mower steering is very touchy and you will find yourself quickly coming into contact with the inside of the shed.
- Warren noted the following on this year's Jamboree:
  - Contest sanctions are all set.
  - Madam Fifi's store is being put back together with some work parties.
  - Advertizing for the Jamboree will be done this year with road signs and radio stations spots.
  - Chair persons are being organized for the various committees.
  - New ideas will be tried this year, including new badges, online prepaying for pilots, park flyer mass launch before the main show, balloon bursting demonstration with models before the full scale show.
- Reminder that the club funfly is coming up in a few weeks
- The next general meeting in July will be out at the Walkkill field.

Meeting adjourned: 7:20 PM
