

MID-HUDSON RADIO CONTROL SOCIETY  
General Meeting Minutes

Date: 7/10/2009

Start time: 7:05 PM, at the Hopewell Field

Members and Guests Present: 28

- A special thanks to John Amico and his son John for the excellent cooking and grilling at the meeting.
- Warren mentioned that the Wallkill Field has been water logged, but is getting better.
- The Red Wing Field has been getting a lot of evening usage. It has been noticed that there has been some trash left at the field. A reminder to please pick up after yourselves.
- Walt Ericson stated that the flight training session scheduled for the first Thursday in September will be held at the Red Wing Field.
- Warren again mentioned that dogs need to be leashed when brought to the field.
- Warren mentioned that Jim Rangitsch is still trying to setup the Rhinebeck Jamboree banquet to be held inside one the hangars at the Aerodrome.
- Please get in contact with any of the lead persons for the Jamboree to volunteer working this year. There are plenty of openings.
- Warren went over some the upcoming events for August and September. You can view the schedule and details on the club's website.
- Warren will be holding on to the club's "Recognition Plaque". If you would like to recommend someone to be added to the plaque, get in contact with any of the Board members.

Meeting adjourned: 7:14 PM
