

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 7/2/2010

Start time: 7:05 PM, at the Redwing flying field

Present: 24 members and guests

- Quets attending: Frank Tolocka, Ron Prestin, Scott Misher.
- Warren noted that the Rhinebeck Jamboree is coming up and that we do need people to sign up for various work positions. Mowing the Aerodrome grass will be on the Wednesday of the week of the Jamboree, with Thursday being the rain date.
- The subject of safety was brought up. There has been some flying at the fields with proximity too close to the flight line. There was an incident of a model coming into the pits.
- We do need some help from members to help out with some “weed wacking” at the Redwing field.
- Jim Rangitsch is looking for someone to pull the club trailer.
- Jim will be looking into the restaurant that was used last year for the Jamboree banquet for possible use again this year.
- Warren noted that our field at Redwing will not be used by the sports teams this fall.
- A reminder to lock the field gates when you are the last to leave.

Meeting adjourned: 7:25 PM
