

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 8/2/2014

Start time: 10:15 AM, at the Wallkill field

Present: 13 members, 0 guests

- The minutes from the previous meeting (located on the club's website) were accepted as posted.
- Warren Batson mentioned that the Rhinebeck Jamboree is coming up soon. A list of chair persons will be sent out to the membership. All are encouraged to sign up and help out. The Wednesday before will be the field prep party. Mowers, rakes, and weed whackers will be needed. Members are also encouraged to fly at the Jamboree if they choose to.
- Field reports: both fields are in great shape and are getting a lot of use.
- If there is an interest in holding a club holiday party this year, we will need someone to chair the event. We will need to use a restaurant as the location this year since the church will not be able to handle us this year.
- A reminder that there will be a club fun-fly at the Wallkill field next Saturday, 9:00 AM.
- Ron Revelle mentioned that the deadline for responding to the FAA proposals has been extended. It is very important that each one of us voice our concerns because of the negative impacts that the proposals would have on our hobby.
- Ron noted that we as a club will continue again this year with the AMA Gold Leader Club status (3rd year).
- Rob Van Der Meulen has produced some sample laser etched award plaques to be used at this year's Jamboree. All present were in favor of the black metal version.

Meeting adjourned: 10:32 AM
