

MID-HUDSON RADIO CONTROL SOCIETY
General Meeting Minutes

Date: 8/6/2011

Start time: 11:00 AM, at the Redwing flying field

Present: 25 members and guests

- Warren reported that the Walkkill field is in good shape overall. There seems to be good consistent turnouts at the field.
- There was no financial report given, but Warren noted that extra money has been used for the field meeting/picnics.
- Jim Wood commented on the just held "Cole and Rita Palen Free-Flight Memorial Meet" that was held at the Red Hook High School. A successful and worthwhile event to attend.
- Reminder that the Jamboree is approaching and all are encouraged to help out. A big thanks to all that have signed up for work duties.
- Reminder to exercise caution when at the flying fields in regards to ties. They are there. Taking preventative steps definitely helps.
- Warren mentioned about the dangers involved when climbing trees to recover models. Please leave the climbing to the professionals.

Meeting adjourned: 11:17 AM
