

Tentative Schedule:

8:00 – 9:00 am - Meet at Red Hook High School Soccer Field and register.

9:00 – 10:00 am – Flying and taxi events commence.

??? pm – Awards presentation at conclusion of official timed flights. Flying can continue for as long as anyone would like to fly.

Please let us know ahead of time if you are interested in participating, and what you are planning to build or bring to the event.

If you need plans for any particular model, we'll try to help you locate them.

Please send your email address so we can keep you posted on updates

Proxy entries allowed, but please provide \$ for return postage –

(Hopefully, the return package will be the same size as the received package!)

For more information contact:

Tom Polapink- tpolapink@optonline.net (631) 813-5113 (c)

or

Matt King - mking@rhcsd.org (845) 757-3411 (h) or (845)-758-2241 x 3125 (w)

Directions: to Red Hook High School

(NOTE: This location may be a little tight for some of the better performing models)

From the NYS Thruway: RHHS is located just West of the main intersection of Rt. 199 and Route 9 in the heart of Red Hook. From the NYS Thruway, take exit 19 and follow signs to the Kingston-Rhinecliff Bridge. Cross Bridge and make a left onto 199 at the second light. Go to the next light and make a right onto Rt. 199 toward Red Hook. The school is located on the left side, just past the ball field (which you'll see on your right). If you cross Rt. 9, you have passed the school. **LOOK FOR SIGNS WHEN YOU GET NEAR THE AREA.**

From the Taconic State Parkway: Get off at the Red Hook/Rhinebeck exit for 199. Head toward Red Hook. When you come to the fork in the road, bear right to remain on 199. Pass Route 9 and the school will be on your right. First you will see Red Hook Junior High School, and the High School follows it. If you pass a baseball field on the left while on Rt. 199, you have just passed the school. **LOOK FOR SIGNS WHEN YOU GET NEAR THE AREA.**

Other considerations:

Bad weather – Come anyway...We'll have a party, and we have access to the Gym, so bring along an indoor model too!

Proxy entries - Send your model to: Tom Polapink, 215 Yantz Rd., Red Hook, NY 12571, 631-813-5113. Call in advance and let us know when you send it so we know when to expect it. We can't be responsible for any damage that the model may incur during shipping, but will take the best possible care to prevent any damage from occurring while it is in our hands. We'll also need specific instructions on how to wind and where to hold and launch each model that is sent. We will return your model (or what is left of it) to you soon after the event is over!

Special Rules - Let us know if you are interested in participating well ahead of time so we can send you details of our special rules. The event is intended to be more fun than competitive.

Entry Fee - There is no entry fee. If you would like to bring something for the collective group to eat and/or drink for the *pre* or *post* flying parties, please let us know in advance. We would appreciate it!

Let us know what you are bringing!

Start Building Something!
