

MID-HUDSON RADIO CONTROL SOCIETY

General Meeting Minutes

Date: April 18, 2026

Start Time: 9:45 am at Walkkill Field

Present: 14 members, 0 guests

- Treasurer Fred DiMaria reported on the treasury. The Treasurer's Report was accepted as presented.
- Members would like a more realistic aircraft depiction for the 60th Anniversary Jamboree "**Logo**". Flavio passed along some newer images to Peter Jagich for his daughter to use.
- Walkkill opening day for 2026 flying season.
- Membership now at 34 members.

New Business:

- Warren Baston mentioned that due to health issues, he is stepping down from being the Membership Officer, and the primary CD for the Jamboree. Flavio will be the primary CD, and Warren will be back up.
- Peter Jagich volunteered to replace Warren as Membership Officer.
- Ken Imlej, Club Secretary, volunteered take the AMA test to be a CD for future events.
- Upcoming "Float Fly" at Lake Taghkanic on May 16th.
- Redwing Field will be reconned by Pete to see if is in flyable condition for use.
- The subject of flying "drones" and helicopters at the Walkkill field was brought up. A discussion followed with various inputs from members with both pros and cons, and a suggestion to review the Bylaws. The Board will discuss this topic further and come up with a proposal to the club.
- Rob Vandermeulen volunteered to spread tick repellent on the Walkkill field.
- Note that port-a-potty is being overrun with wasps. The unit will be serviced in the next few days and should take care of this.
- Thank you to all members who made opening day of Walkkill a success with the setup and rolling of the field.

Meeting adjourned: 10:23 am
